To All of Our Patrons:

First, let me start by saying, "Thank you!" Owners Jim & Jody Goff, GM Mark Mills, Superintendent Greg Tudor and LPGA Pro Erika DeSanty truly appreciate all of your loyalty and support that has made Waubeeka what it is today and will be into the 2013 season and beyond!

This season will see a change in our rate structure and options for membership. Due to the high cost of maintaining our great course conditions, yearly updates to the course and past renovations, Waubeeka has to maintain a break even or profitable business structure to ensure the course is operating for seasons to come. Waubeeka is a highly-rated, 4 out of 5 stars Golf Digest Course along with high rankings in the state of Massachusetts and New England as one of the premier golf destinations. There is a price for this level of quality.

We look forward to the 2013 season with a promise once again of superior course conditions, laughs and fun in our Pub & Grill and meeting all your golfing needs in our Golf Shop and at the best Driving Range & Practice Facility in the area.

If you have any thoughts about this past season or our upcoming season feel free to contact Mark Mills or please visit our website (www.waubeeka.com) where you can find an online survey and feedback forms which includes rating the course, staff and a comment box as well. We look forward to reading your idea's and thoughts concerning our facility so we are fulfilling all of our patrons needs.

We are presently working on the 2013 season including the tournament schedule and new menus in the Pub. Greg & Tom Cotter are going through all of our equipment maintenance so we are ready to go when winter departs and the golf season begins! Our golf tourney calendar is available for viewing on our web site and is updated daily so you can make sure you don't miss those special tournaments with your friends and family.

Best,

Mark Mills GM

Golf Course Etiquette
Our Superintendent Greg Tudor and his staff do a magnificent job in maintaining the course and green conditions. With your help we can maintain the excellent playing conditions every day.

Cart Policy
Carts are to exit at the cart posts, using cart paths near tees and around greens and following directional signage. Driving over mounding throughout the course is prohibited. Carts should never be closer than 30 yards from a green or inside the posts. We are going to address the ongoing issue of players non compliance of gas carts being too close to the greens, behind greens and players not adhering to the cart rules of the day which include path only and 90* rule. If you are one who already respects these simple golf cart etiquette rules we thank you for your respect of your course. Junior members must possess a valid driving license to rent a cart. Always read and obey the rules of operating carts posted for that day of play

Pace of Play
The traditional four hour round is the standard at Waubeeka. Please make every effort to play a 4-hour round. Faster groups must be allowed to play through slower groups.

Ball Marks
Fix and repair properly. There is signage for instruction on repair.

Bunkers
Always rake your tracks after playing out of the bunkers so the players behind you don't find their ball in your footprint or divot.

Divot Repair
There are divot mix boxes on every par 3 tee and also on our golf carts, please fill your tee box divots and also replace your fairway and rough divots as well or fill with the mix provided on carts.

Pull Carts
Pull carts and "kangaroo" carts are not to traverse greens, tee boxes, bunkers or between bunkers and greens.
